

## CHILD PROTECTION FORM

### SportsWorks

#### Sexual Abuse Prevention Policy

**SportsWorks** strongly opposes the sexual abuse and molestation of children around the world. As an athletic coach, ministry leader, volunteer, employee, contractor, pastor, or parent, I understand that I am never to be alone with another person's child or youth that is participating in any of the programs offered by **SportsWorks**. Furthermore, if I witness a child being sexually abused or molested by an athletic coach, ministry leader, volunteer, employee, contractor, pastor, or parent, I promise to report the incident immediately to law enforcement and to the president of **SportsWorks**. I also acknowledge that I have successfully passed the police background check provided by **SportsWorks**.
